

## **Instructions for logging into Study Island**

1. [www.studyisland.com](http://www.studyisland.com) You may also access this link on my class website or on Canvas, on the "Study Resources" tab. (**Choose Study Island for Schools** if given the choice. **Don't** choose Study Island for home!)
2. Login: username **and** password = student id number **WITHOUT THE ZERO AT THE BEGINNING!**
3. Click on your group "**Rockets \_\_\_\_** " (**A, B, C, D or E**)
4. Click on/select the unit of study/topic. \*\*Pay attention to the due date for the lesson. Each lesson is due by 11:59pm on the due date!!!
5. Click on "**lesson**" to read the lesson. Be sure to read all pages of the lesson before beginning the lesson review! \*\*Recommendation: When you are done reading the lesson, you can minimize it to refer back to it later.
6. After reading the lesson, click on the unit of study. Then, click on / select "**practice mode**". It should then be highlighted in green. Key in the number of questions (15) and click on "**next**".
7. Answer the questions (read the explanations as you go through them.) You may monitor your session score in the upper right-hand corner. (Refer back to the "lesson" as needed.)
8. **You must complete a minimum of 15 questions with at least 75% accuracy! This is counting as a grade, so do your best!**
9. Click on "**End study session**" when done.
10. You may "**logout**" and return at any time up until the end of day on the due date.
11. You may also "**try again**". If you make multiple attempts on a lesson, **THE AVERAGE SCORE OF THOSE ATTEMPTS WILL BE COUNTED AS YOUR GRADE.**
