The Federal and State Court Systems: A Dual Court System - Flow Chart

- 1. On a piece of blank notebook paper, set up the graphic organizer depicted below.
- 2. Complete the graphic organizer by reading Chapters 9-1, 9-2, 9-3 and 13-4.
- 3. Begin with each Court System by first writing the name of the court for each level and then **check for accuracy.**
- 4. Once the name of the Court at each level is correctly labeled, then write at least 4-5 facts about each using complete sentences.

The Federal Court System	The State Court System (13-4)
